

Come Out

Neil Girrard

Dm Bb C G
1. You pull up to the building that bears your favorite name.
Dm Bb F G
You sit in a pew, you hear the choir sing, you hear a sermon that sounds the same.
Dm Bb C G
You get up and leave, you haven't been changed - your life is still the same.
Dm Bb F G
How did the worship of Jesus Christ become such a game? [Chorus]

Bb F C G
[Chorus]: Come out from among them - be separate, be clean.
Bb F G Dm
And I will be your Father says the Lord the King.
Bb F C G
Come out from among them - be separate, be clean.
Bb F G
And I will be your Father says the Lord the King.

Dm Bb C G
2. There's a spirit at work in your "churches" - she wants neither seen nor known.
Dm Bb F G
Her tricks are in place, her lies are all laid, her trap is already sprung.
Dm Bb C G
The man at the front thinks he runs the show but doesn't know whose game he plays.
Dm Bb F G
He's serving the kingdom of darkness tho' to God up above he prays. [Chorus]

Dm Bb C G
3. Your building robs the orphans, the widows and the leasts,
Dm Bb F G
Gives you a place to be worldly while you rely on your priests.
Dm Bb C G
Only you can do God's will - none can do it for you.
Dm Bb F G
Take up your cross and follow Him - it's the only way that's true. [Chorus]

[Repeat 1st verse and chorus]

Bb F G
And I will be your Father says the Lord the King.
